

Reiki (pronounced as Ray Key) Natural Hands-On Therapy

What is Reiki?

Reiki was rediscovered by Dr Usui in 1922 in Japan. "Rei" in Japanese means Universal and "ki" Life Force or Qi.

Reiki is one the most widely practice of natural healing through the direct application of a force similar to Qi. It is safe, natural hands-on therapy that promotes healing on all levels by the action of a gentle nurturing energy radiating from the Reiki practitioner's hands when applied to Oneself and others.

Benefits of A Reiki Treatment

- *Appeals to ALL as it is not based on any religion or doctrine
- *Become more energized each time you treat others
- *Boost the Immune System
- *Complements all other therapies
- *Creates Optimism, Positivity & Total Relaxation
- *Erase Addiction & Unwanted Negative Habits
- *Improve Harmony & Inner Peace
- *No Negative Side Effect
- *Non-manipulative gentle touch – No pain
- *Safe ~ Do not pick up negative energy from clients

REIKI TESTIMONIALS of BENEFACTORS

Personality Clash & Anger

Board Meetings are war zones - always result in heated arguments & flare-up anger with my directors. Within an evening, Master Terry showed me how to harmonise meeting room & the environment to create win-win meetings. Now I get self-respect & cooperation from my bosses.

Charles, Financial Controller, PLC, KL

Leg pains (>20+ years) Mrs Raj, Subang

After Reiki treatment, the pain was gone...for good!

High Pressured & Demanding Job

During the Reiki class, I experienced the changing of high stress/tension to total relaxation & inner peace.

Ms Angie, Leading Advertising Co, KL

Our son's Asthma Mrs Lee, Cheras

Our 2 ½ yrs old son frequent visits to the UKM Hospital for asthma treatments. After Reiki treats, he is now a healthy & active boy.

Ulceritis Mr Faye, United Kingdom

Blood in stools. Admitted to GHKL. 1st day bleeding 2 tea cups of blood. After 1st day Reiki treat, bleeding was down to 2 teaspoon. Several Reiki treats later, recovery with no surgery as initially recommended by doc.

Multiple Sclerosis (MS) Mrs Wong, 60's KL

Rapid degeneration in my body system. After 6 months Reiki therapy, I have improved tremendously & gone on local and overseas travel, moving independently.

Would-be-Amputee Mr Lim, 20, Cheras

After motor accident, suffered temporary memory loss. Doctor recommended right leg amputation. Tried Reiki to try save leg. After 1st treat, regained memory & can recall accident details. By 7th treat, doc noticed positive healing and confirmed no need for amputation. Can walk & back to work now.

Liver Cancer, Mr Texas Moi, 76 yrs, KL

*13 hours op to remove liver tumour. Bleeding did not stop after 13 pints of blood transfusion. Received special consent to Reiki outside op theatre. 15 minutes later, the bleeding under control. Recovered from operation. Doc considered op a miracle as all major organs were performing consistently during entire op despite the long hours' operation. **Mr Texas Moi, Suzanne's father & Terry's father-in-law***
